

ABOUT RAJASTHAN VIDYAPEETH

With the awakening of national consciousness in the early years of the last century, a few notable efforts were made in pre independence period to improve the system of education prevalent in India during that time. Considering the spirit of National Educational progress Pandit Janardan Rai Nagar established 'Rajasthan Vidyapeeth' in 1937 to uplift the downtrodden common man of the society

The day January 12, 1987 was the landmark in the history of Rajasthan Vidyapeeth when under the Ministry of Human Resource Development, Government of India granted it the status of a Deemed to be University. Since then, the University has initiated several academic programmes and established various institutions according to the need of the society. Recently university accredited B++ by NAAC of UGC, in 2005. The university has 13 constituent units of colleges and institutions.

About Department of Geography

The Department of Geography was established in 1956 and started under graduate classes in this institute. In 1984, the department got the status of PG Department and became the main centre of the Region in field of geography. The Department has also been recognized as Refresher Course centre for university and college teachers by the UGC in 2002 and conducted several refresher courses. It has also organized conferences and workshops time to time at national and state level too. Recently M. Phil Course and P.G. Diploma in GIS and Remote Sensing including Urban Planning have also been introduced by the department. The Department has also joined International Exchange Program with the Slippery Rock University of Pennsylvania, USA. The Department has well equipped laboratories of Geography and GIS and analyzing remotely sensed data received from satellite and marching towards better future.
